

June 2014 - 3rd edition

Dear reader,

The PERFORMER project partnership is very pleased to bring to your attention the third edition of its quarterly Newsletter!

Latest project news (December 2013 - February 2014)

Overview of the project progress

After the first six months which have allowed sharing a common understanding of the objectives of the project amongst partners, the project is now fully operational and has entered into an intense phase of methodological and technical specification, relying on a sound scientific and technological state-of-the-art... [More](#)

Business model workshop

On last March 26th, DRAGADOS and EUROCONSULT hosted a workshop at EUROCONSULT's facilities (Madrid) as part of the Exploitation and Dissemination activities of PERFORMER. The objective of the workshop was to present the current state and general objectives of PERFORMER to a ... [More](#)

Meeting at the Polish demo site

PERFORMER partners from Poland & the UK met at the Baltic Plaza Hotel in Kolobrzeg over the 26th and 27th February 2014 to discuss their roles, share a common project understanding and to gain a better technical understanding of the Polish pilot site to share with other project partners. The meeting was... [More](#)
